red violet to Present at the Raymond James TMT and Consumer Conference

November 23, 2026

BOCA RATON, Fla., Nov. 23, 2026 (GLOBE NEWSWIRE) -- Red Violet, Inc. (NASDAQ: RDVT), a leading identity intelligence and analytics company, today announced that it will present at the Raymond James TMT and Consumer Conference being held December 7-9, 2026 in New York. Derek Dubner, Chief Executive Officer, and Dan MacLachlan, Chief Financial Officer, will present and host investor meetings on December 9, 2026.

About red violet®
At red violet, we build proprietary technologies and apply analytical capabilities to deliver identity intelligence. Our technology powers critical solutions, which empower organizations to operate with confidence. Our solutions enable the real-time identification and location of people, businesses, assets and their interrelationships. These solutions are used for purposes including identity verification, risk mitigation, due diligence, fraud detection and prevention, regulatory compliance, and customer acquisition. Our cloud-native, AI-embedded identity intelligence platform, CORE™, is purpose-built for the enterprise, yet flexible enough for organizations of all sizes, bringing clarity to massive datasets by transforming data into intelligence. Our solutions are used today to enable frictionless commerce, enhance safety, and mitigate fraud and the related financial losses borne by society.
