Illinois-based Association contracts to make FOREWARN services available for its 500+ REALTOR® members to promote proactive agent safety

BOCA RATON, Fla.--(BUSINESS WIRE)--Nov. 4, 2019-- FOREWARN, LLC, a red violet company (NASDAQ: RDVT), and the leading provider of real-time information solutions for real estate agents, today announced that the Central Illinois Board of REALTORS® ("CIBR") has contracted to make FOREWARN® services available for the 500+ REALTOR® members it serves in an effort to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity, searching for criminal histories, and validating information provided by potential clients such as financial and asset information -- using just a phone number. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by CIBR will be available to CIBR's entire 500+ real estate agent membership at no additional cost to individual agents.

"Safety needs to be a top priority for agents," said Paul Brown, CEO of the Central Illinois Board of REALTORS®. "Our leadership felt that it was important to provide FOREWARN to our members, so they don't have to operate in the dark, but rather can conduct business with more intelligence and safety."

On November 4, 2019, existing CIBR members will receive specific instructions on how to move forward with activating their FOREWARN subscription.
