January 17, 2020

Colorado-based MLS contracts to make FOREWARN services available for its 600+ REALTOR® members to promote proactive agent safety

BOCA RATON, Fla.--(BUSINESS WIRE)--Jan. 17, 2020-- FOREWARN, LLC, a red violet company (NASDAQ: RDVT), and the leading provider of real-time information solutions for real estate agents, today announced that the Vail Board of REALTORS® MLS ("VBR") has contracted to make FOREWARN® services available for the 600+ REALTOR® members it serves throughout the Vail Valley, including the communities of Avon, Beaver Creek, Eagle, Edwards, Dotsero, Gypsum, and Vail in an effort to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity, searching for criminal histories, and validating information provided by potential clients such as financial and asset information -- using just a phone number. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by Vail MLS, a wholly-owned subsidiary of the VBR, will be available to Vail MLS's entire 600+ real estate agent membership at no additional cost to individual agents.

"We are thrilled to be part of the solution in proactively addressing safety for our members and the community with FOREWARN," said Erica Kirk, Association Executive of the Vail Board of REALTORS®. "FOREWARN provides a necessary layer of safety and intelligence for agents in identifying potential risks. This is a great benefit for our members as well as the community overall, helping our members to provide more value and service to the Vail Valley."

On January 9, 2020, existing Vail MLS members received specific instructions on how to move forward with activating their FOREWARN subscription.
