

## FOREWARN Partners with Mid-State Association of REALTORS®

April 5, 2018

*Connecticut-based association purchases FOREWARN services for its 500+ members to promote proactive agent safety*

FOREWARN, LLC, a red violet company (NASDAQ: RDVT), and the leading provider of real-time information solutions for real estate agents, today announced a partnership with the Mid-State Association of Realtors (MSAR), whereby MSAR has secured FOREWARN™ for all 500+ members in an effort to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity using just a phone number, searching for criminal histories, and validating information provided by potential clients such as financial and asset information. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by MSAR will be available at no cost to all agent members.

"We're excited to add the Mid-State Association of REALTORS® to the growing number of real estate associations that are putting their members' safety first," said James Reilly, President of FOREWARN. "These important partnerships allow us to offer FOREWARN at a much lower price point than is available to individual agents on their own and enables FOREWARN to get this vital safety tool into the hands of as many agents in the United States as possible."

"Our association is proud to announce our partnership with FOREWARN," said Beth Smedick, President of Mid-State Association of REALTORS®. "We believe FOREWARN provides a unique layer of proactive safety which is the number one priority for all of our agents."

Existing MSAR members will receive specific instructions on how to move forward with activating their FOREWARN subscription via email.
