Pennsylvania-based association provides FOREWARN services for entire agent membership to promote proactive agent safety

BOCA RATON, Fla.--(BUSINESS WIRE)--Jun. 8, 2018-- FOREWARN, LLC, a red violet company (NASDAQ: RDVT), and the leading provider of real-time information solutions for real estate agents, today announced that the Montgomery County Association of REALTORS® (MCAR) is providing FOREWARN™ for all 2,600 of its members in an effort to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity using just a phone number, searching for criminal histories, and validating information provided by potential clients such as financial and asset information. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

"We are very pleased to announce this significant adoption of FOREWARN by one of Pennsylvania's most prominent real estate associations," said James Reilly, President of FOREWARN. "MCAR's offering of FOREWARN as a member benefit means yet another large group of agents with a proactive means to mitigate risk."

"Our association is committed to identifying and procuring solutions that address important issues facing our members," said Suzanne Kunda, President of Montgomery County Association of REALTORS®. "The safety of our members is paramount. We feel FOREWARN provides the most effective solution on the market, being an extremely valuable tool that provides agents with a proactive way of identifying potentially dangerous situations prior to engagement."

Existing MCAR agents will receive specific instructions on how to move forward with activating their FOREWARN subscription via email.
