**Iowa-based Association contracts to make FOREWARN services available for its 600+ REALTOR® members to promote proactive agent safety**

BOCA RATON, Fla., June 25, 2020 (GLOBE NEWSWIRE) -- FOREWARN, LLC, a red violet company (NASDAQ: RDVT) and the leading provider of real-time information solutions for real estate agents, today announced that the Northeast Iowa Regional Board of REALTORS® ("NEIRBR") has contracted to make FOREWARN® services available for the 600+ REALTOR® members it serves across the 13 county region of Northeast Iowa in an effort to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity, searching for criminal histories, and validating information provided by potential clients such as financial and asset information -- using just a phone number. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by NEIRBR will be available to NEIRBR's entire 600+ real estate agent membership at no additional cost to individual agents.

"We are thrilled to be providing our members with a truly essential benefit in FOREWARN," said Mary Shileny, CEO of the Northeast Iowa Regional Board of REALTORS®. "We feel so strongly about the safety of our members that we decided it was critical to provide a proactive tool to help them instantly verify who they are interacting with and be able to conduct business with greater peace of mind."

On June 23, 2020, existing NEIRBR members received specific instructions on how to move forward with activating their FOREWARN subscription.
