August 7, 2020

Ohio-based Association contracts to make FOREWARN services available for its 1,000+ REALTOR® members to promote proactive agent safety

BOCA RATON, Fla., Aug. 07, 2020 (GLOBE NEWSWIRE) -- FOREWARN, LLC, a red violet company (NASDAQ: RDVT) and the leading provider of real-time information solutions for real estate agents, today announced that the Stark County Association of REALTORS® ("SCAR") has contracted to make FOREWARN® services available for the 1,000+ REALTOR® members it serves in the city of Canton and throughout the surrounding Stark County area of northeastern Ohio in an effort to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity, searching for criminal histories, and validating information provided by potential clients such as financial and asset information -- using just a phone number. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by SCAR will be available to SCAR's entire 1,000+ real estate agent membership at no additional cost to individual agents.

"We are thrilled to be providing our members with such a powerful and proactive tool in FOREWARN," said Rich Cosgrove, President of the Stark County Association of REALTORS®. "As a real estate agent, I know first-hand how often we are forced to operate in the dark. Having FOREWARN is a game-changer, allowing our members to instantly verify prospect identity and potential risks. We are very pleased to be providing our members with intelligence at their fingertips for a more effective safety protocol and greater peace of mind."

On August 14, 2020, existing SCAR members will receive specific instructions on how to move forward with activating their FOREWARN subscription.
