Montana's largest MLS contracts to make FOREWARN services available for its 3,000+ REALTOR[®] members to promote proactive agent safety

BOCA RATON, Fla., Feb. 01, 2021 (GLOBE NEWSWIRE) -- FOREWARN, LLC, a red violet company (NASDAQ: RDVT) and the leading provider of real-time information solutions for real estate agents, today announced that the Montana Regional MLS ("MRMLS") has contracted to make FOREWARN[®] services available for the 3,000+ REALTOR[®] members it serves in Western and Central Montana to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity, searching for criminal histories, and validating information provided by potential clients -- using just a phone number. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by MRMLS will be available to the 3,000+ real estate agent membership at no additional cost to individual agents. The Montana Regional MLS provides services to participating members across the Bitterroot Valley Board of REALTORS[®], Great Falls Association of REALTORS[®], Helena Association of REALTORS[®], Missoula Organization of REALTORS[®], Northwest Montana Association of REALTORS[®], and Rocky Mountain Association of REALTORS[®].

"Safety needs to be a top priority for agents," said Webb Brown, CEO of Montana Regional MLS. "We felt as though it was important for us to provide a proactive tool like FOREWARN for our members, so they can work safer and smarter. Being able to identify who you are working with and any potential risks is a critical first step in an agent's safety protocol."

On January 5, 2021, existing MRMLS members received specific instructions on how to move forward with activating their FOREWARN subscription.
