April 5, 2021

Tennessee-based Association contracts to make FOREWARN services available for its 1,400+ REALTOR® members to promote proactive agent safety

BOCA RATON, Fla., April 05, 2021 (GLOBE NEWSWIRE) -- FOREWARN, LLC, a red violet company (NASDAQ: RDVT) and the leading provider of real-time information solutions for real estate agents, today announced that the Northeast Tennessee Association of REALTORS® ("NETAR") has contracted to make FOREWARN® services available for the 1,400+ REALTOR® members it serves throughout Northeast Tennessee to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity, searching for criminal histories, and validating information provided by potential clients -- using just a phone number. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by NETAR will be available to the 1,400+ real estate agent membership at no additional cost to individual agents.

"We are thrilled to be proactively addressing safety for our members and the community with FOREWARN," said Kristi Bailey, President of Northeast Tennessee Association of REALTORS®. "FOREWARN provides an additional layer of safety and intelligence for agents in identifying potential risks well ahead of being in a vulnerable situation. This is an essential benefit that we felt was necessary, and we are happy to be providing it for our members."

On April 1, 2021, existing NETAR members received specific instructions on how to move forward with activating their FOREWARN subscription.
