Nine North Carolina-based Associations contract to make FOREWARN services available for their 8,000+ REALTOR® members to promote proactive agent safety

BOCA RATON, Fla., Sept. 29, 2022 (GLOBE NEWSWIRE) -- FOREWARN, LLC, a red violet company (NASDAQ: RDVT) and the leading provider of real-time information solutions for real estate agents, today announced that nine REALTOR® Associations have contracted to make FOREWARN® services available for the REALTOR® members they serve throughout eastern North Carolina to promote proactive real estate agent safety.

"One of the greatest responsibilities that we have as an association is to support our members, and the safety of our members is paramount," said Sheree Higgins, Executive Director of Carteret County Association of REALTORS® (CCAR). "CCAR is excited about offering our members this essential tool designed to advance personal safety and feels that FOREWARN provides the most effective solution! But, the best part of it all is that nine associations, which combined represents over 8,000 members, who are in our regional MLS have signed up to use FOREWARN as well, which goes to show that safety is top of mind when it comes to our members. I was very excited to help spearhead the adoption of the solution by our nine associations and I hope that more associations around the country will take advantage of giving the same benefit to their members."
